We will provide the perfect venue along with our experience and expertise to work with you to curate your dream wedding. We provide the very best in French food, wine, weather and *joie de vivre* with a pinch of English hospitality and tradition.

Our dedicated wedding planner will guide you through every step of your wedding planning and the day itself to make it as enjoyable and stress-free as possible.

Within our eleven acres you have the choice of where each stage of your wedding is held – perhaps welcome drinks by the millpond, ceremony in our secret river garden, reception overlooking the vines and then partying the night away in our restored Charentaise barn. And don't forget our fabulous swimming pool for your next day pool party!

At Le Moulin, anything is possible and we will work with you to create your perfect day ♥

Please explore the next few pages and let us take you on a journey to discover what your dream wedding at Le Moulin could look like . . .

She is positioned next to a window with sheer curtains featuring a dark floral pattern. The lighting is soft, coming from the window, creating a warm and intimate atmosphere. The background is dark, making the woman and the window area stand out.

You will get to spend lots of quality time together, relax and truly enjoy your time *en France!*

La Cérémonie

Your wedding ceremony can take place in our secret riverside garden, the most historic part of the Mill with ruins dating back to the 15th century. Here, to the soothing sound of flowing water and surrounded by your loved ones in our natural amphitheatre, you will say your I-do's.

We can provide a registered celebrant to conduct and help you plan your own personalised ceremony. He will work with you to ensure that this most important part of your day runs without a hitch and is completely magical and unforgettable for both you and your guests. (Note, this is not a legal ceremony).

Le Vin D'Honneur

Celebrate your nuptials with champagne and canapés on the front lawn, within the shade of the fruit trees and overlooking the vineyards beyond.

You and your guests can sip and enjoy the sunshine with plenty of space to mingle and relax. The perfect setting for your group photographs with the vines beyond or the magnificent *grande maison* as your backdrop.

We can provide vintage rugs for lounging, lawn games and pétanque court to pass the time, a rustic photobooth amongst the trees and our fabulous new bar area.

Your Wedding Breakfast in our
beautiful Charentaise barn . . .

Le Dîner

Settle down for a sumptuous wedding breakfast in our beautiful traditional Charentaise barn. With oak beamed ceiling and ancient stone walls, it is rustic and romantic and the perfect setting for your first meal as a married couple.

Our package includes all your furniture hire, including vintage French chairs, rustic tables and cocktail tables from old Cognac barrels to complete that authentic rustic French wedding look. We can help recommend fabulous caterers and other suppliers for you to work with and even help source your alcohol, or bring your own, we have no corkage fees!

Party the night away, under the stars . . .

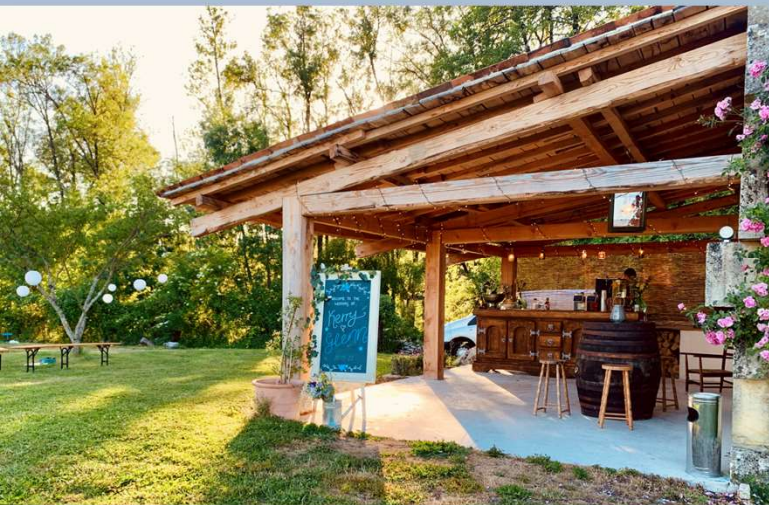

La Fête!

Complete your perfect day with an afterparty to remember! Whether you fancy a DJ or a band we can roll out the vintage rugs, switch on the fairy lights and you can party the night away under the stars.

With no close neighbours we have no noise restrictions or curfew, so you can make as much noise as you like and can quite literally party until the sun comes up!

Cut your wedding cake on the front lawn with the sun setting over the vineyards behind. Again we can help you source all your entertainment needs, cakes, drinks for the evening and even bar staff to keep the cocktails flowing.

A bride and groom are walking down a gravel path in a wooded area. The bride is on the left, wearing a white wedding dress and holding a bouquet of white roses and greenery. The groom is on the right, wearing a grey three-piece suit with a red tie and a boutonniere. They are holding hands and looking at each other. The path is surrounded by tall grass and trees, with sunlight filtering through the leaves.

Our Accommodation

All our wedding packages include on-site accommodation for up to twenty people for one week across our four, luxury cottages. For additional guests we can also help recommend accommodation nearby.

Our cottages are clean, bright, beautifully decorated and with all the mod-cons needed for a comfortable and relaxing stay.

You will have exclusive use of the venue for the duration of your stay, so you will have plenty of time to do any setup and décor that you want before the wedding itself and host any extra events, such as rehearsal dinner the night before or pool party the day after. The Mill is your home to use however you wish ♥

A romantic wedding photograph of a couple standing in a field. The groom, on the left, is wearing a light grey suit and has his arms around the bride. The bride, on the right, is wearing a white lace wedding dress and has a very long, flowing veil that billows out behind her, catching the light. They are both looking at each other. The background shows a line of trees under a soft, overcast sky. The overall mood is serene and elegant.
